

CHILI SOCIETY-CASI

May 1, 1990

Dear Great Pepper:

In honor of the CASI purchase of land at Rancho de los Chisos, the Pod of the Pass will sponsor the burying of a time capsule at the official opening on Friday, November 2. This time capsule will, hopefully, include an item from each Pod as well as pictures, recipes, and other goodies selected by the Executive Board.

Items to be included in the time capsule from the Pods can be group photos, newsletters, t-shirts, whatever the Pods want -- within a reasonable size. Although we are planning to use a container roughly the size of a 55-gallon drum, and that sounds like a lot of room, there really isn't a great deal of space to include Coleman stoves, camping cots, bulldozers, and the like in the time capsule. We are asking that each Pod only submit one item.

Please bring this matter to your Pod's attention at your next meeting -- we want to be able to include all Pods in this momentous undertaking, and, as you know, that takes some coordination.

To be sure that your Pod is represented in the time capsule (which will be opened in the year 2000), please have your Pod time capsule item to me no later than October 1, 1990 so that we may bundle (cram?) all items into the container and transport it to Terlingua.

Thanks for your cooperation. If you have any questions, please call or write.

Sincerely,

Johnye J. Beyer

Doesn't this sound like fun? By the way, I am taking the names of volunteers to dig the pit into which the time capsule will be buried!
